# Committed To Serve... Those Who Served

AMVETS Department of California is one the state's leading Veterans Service Organizations, with a proud history of assisting Veterans and sponsoring numerous programs that serve our country and its citizens. Membership in AMVETS is open to anyone who honorably served or is currently serving in the U.S. Armed Forces, including the National Guard and Reserves.

AMVETS Department of California Service Foundation is a non-profit 501(c)(3) organization dedicated to providing support for the AMVETS Department of California, ensuring resources are available to the men and women who have served our great nation, and enhancing the mental, physical and social well-being of all Veterans in California.

Together, we enrich the lives of Veterans, their families, and communities through membership, programs, connections to resources, advocacy, and community investment. AMVETS enhances and safeguards the entitlements for all American Veterans who have served honorably and to improve the quality of life for them, their families, and the communities where they live through leadership, advocacy, and services.

## **AMVETS ONE**

### **Leaving No Veteran Behind**

---

Launched in May 2022, the AMVETS ONE bus tour travels across our country advocating for Veterans struggling with thoughts of suicide, along with their families and communities. With Veterans dying by suicide at a rate 70% higher than the general adult population, increasing awareness and reducing stigma has never been more urgent than it is today.

This year on May 13, AMVETS ONE will embark on our next Golden State tour, and we need your help fighting for the lives of those who fought for ours. To date, we have reached many millions of viewers throughout the media markets we have visited, distributed hundreds of suicide awareness toolkits providing crisis resources to those in need, and drawn the attention of business, political, and educational leaders around the country.

Join us by making a donation or sponsoring a leg of the tour. Financial support for AMVETS ONE saves lives by helping to cover the cost of fuel, professional drivers, hotels, and suicide prevention materials.

At each stop we provide suicide prevention toolkits with essential information about how to recognize and react to someone who is experiencing a suicidal crisis. Though these toolkits are simple, they are critical to ensuring resources and support are available when Veterans need a lifeline.

Your generous donation today is critical to helping AMVETS ONE achieve our mission: Leaving No Veteran Behind.
