

AMVETS DEPARTMENT OF CALIFORNIA SERVICE FOUNDATION

SERVING THOSE WHO SERVED | Q3 NEWSLETTER

Supporting California Veterans and their families through meaningful programs, community partnerships, and a commitment to service.

Our Mission. Their Future. Our Commitment.

At the AMVETS Department of California Service Foundation, we believe service does not end when military service is complete. We help Veterans move toward stability by supporting comfortable homes, connecting communities with resources, and advancing veteran well-being. Our donors, volunteers, members, and community partners make this work possible.

AMVETS ONE

Raising awareness. Connecting resources. Saving lives. AMVETS ONE increases awareness of Veteran suicide prevention and mental health issues affecting military families and communities. Through outreach across California and the nation, the initiative promotes local support resources, encourages well-being, educates communities, and advocates for saving lives. You can help by sharing resources, supporting outreach, and reminding Veterans and families that they are not alone.
